EDUCATIONAL OBJECTIVES: *Following this activity, learners should be able to:*

- Review ordering, assessing, administering and monitoring of Intensive Care Unit (ICU) sedation;
- Recognize ICU sedation practices may be out of alignment with best practices;
- Identify emerging drugs and technology impacting the safety and effectiveness of ICU sedation practice;
- Discuss novel multi-disciplinary programs to reduce sedation complications.

ACCREDITATION: Sharp HealthCare is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT: Sharp HealthCare designates this educational activity for a maximum of 4.25 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation.

CULTURAL & LINGUISTIC COMPETENCY: This activity is in compliance with California Assembly Bill 1195 which requires that all CME activities comprising a patient care element include curriculum addressing the topic of cultural and linguistic competency. The intent of this bill is to ensure that health care professionals are able to meet the cultural and linguistic concerns of a diverse patient population through effective and appropriate professional development. Cultural and linguistic competency was incorporated into the planning of this activity.

DISCLOSURE: As a provider of the Accreditation Council for Continuing Medical Education, Sharp HealthCare requires itself, its staff, individual contributors, and faculty to disclose to learners that the individual either has No Relevant Financial Relationship(s) or has Relevant Financial Relationship(s) to include the name of individual, name of commercial interest and nature of relationship at the beginning of the activity.

NO REGISTRATION FEE. PRE-REGISTRATION REQUIRED. PLEASE REGISTER AT:
